Good Luck to Porter Dodson Solicitors

The Chamber of Commerce was pleased to be amongst the VIPs and members of the business community in joining Porter Dodson celebrate the opening of their new office at The Quad, Blackbrook Business Park, Taunton.

The firm relocated from their Taunton & Bridgwater town centre premises at the end of April in order to respond to the changing needs of her clients and to accommodate their growing teams of specialists. By pooling the combined experience and expertise of the teams from both offices means the Firm is able to offer an even wider range of gal service in one location.

The Chamber of Commerce would like to take this opportunity to wish Porter Dodson continued success for the future.

For further information about the services Porter Dodson can offer, contact them by telephone on 01823 625800 or visit their website at www.porterdodson.co.uk
