"Future Growth of Taunton Deane to 2027"

Joint Speakers:

Mr Ralph Willoughby-Foster, Planning Policy Advisor, TDBC

Ralph's presentation will detail the Core Strategy for the Deane which provides for future growth requirements for jobs, homes, retail, services and community facilities, together with the necessary infrastructure investment, such as transport. It is a spatial plan about place shaping Taunton, Wellington and the rural settlements. It allocates strategic sites for mixed use urban extensions which will become new communities. It is an employment-led strategy which aims to improve the prosperity of the Taunton sub region.

Mr Jonathan Tricker, Urban Initiatives

Jonathan's presentation will detail the transport strategy proposed to accommodate this future growth.

Please Note: Presentations will take place prior to lunch.
