Happy New year!

FROM TAUNTON CHAMBER OF COMMERCE

I hope this finds all members well and rested after the Christmas break. I became President during 2021 and, looking back at my AGM speech now, I can see that we all hoped Covid would be a distant memory by this time. Alas, that wasn't to be.

We did at least manage to meet in person though. I think it's safe to say many of us are 'zoomed out' now and our breakfast at Mr. Miles, the Pie and Pint Cullens Catering laid on at Vivary Park Golf Club later the same month, and Coffee and Cake at The Bridge were fantastic opportunities for us to all catch up face-to-face again.

Many, of course, still worry about meeting in person, so I am pleased to say we continued events online as well, culminating in a fantastic knowledge share by member businesses who have embraced the green agenda.

Ultimately, it's been great to be able to demonstrate the true value of Chamber membership by providing advice and signposting wherever we could to help businesses get through and we will continue to help wherever we can. Whilst not wishing to sound like a stuck record, I truly hope 2022 does see us back to some form of normality and I wish all of you the very best for the year ahead.

BALLANTINE
WEALTH MANAGEMENT

We specialise in providing a highly personalised and comprehensive financial planning service. Our ethos is to build long-term client relationships with individuals, families and business owners throughout the South West.

With financial adviser numbers in decline and increased computer-based services being offered, it can be difficult to establish a relationship with an adviser you can trust. This is where Ballantine Wealth Management will make a difference. We are passionate about providing a professional service which will focus on our clients' needs and aspirations. A personalised, bespoke approach can then be planned accordingly.

We specialise in providing advice in the following areas:

- Retirement Planning
- Investment Planning
- Inheritance Tax Planning
- Personal Protection - including Life/Critical Illness and Income Protection

In order to give reassurance to our clients, we have become a Partner Practice of the FTSE 100 company, St. James's Place, to provide these wealth management services. The company are trusted by around half a million clients to manage £96.6 billion - a responsibility St. James's Place take incredibly seriously, creating a forward-looking, flexible investment proposition that puts the right drivers behind the wheel of our clients' wealth.

Working alongside this proposition affords us the time to build long-term relationships with clients, providing tailor-made solutions which are flexible enough to adapt to changing needs over time.

It is a pleasure to have joined the Taunton Chamber of Commerce. One:Five Consultancy was created with the aim to make Finance Business Partnering accessible to businesses of all sizes.

With experience in large organisations I've seen first-hand how important it is for business leaders to have accurate and timely financial information, to back-up "gut feel" when making key strategic decisions.

By providing services such as budget modelling, business reporting, pricing/costing models and finance coaching, One:Five bridges that gap between all organisations, effectively providing a dedicated commercial finance team. By having access to regular reporting and performance reviews, this alleviates the anxiety business leaders experience when they are relying solely on their passion and knowledge of their product to build a strategy, rather than a more objective view of actual performance.

With Humility, Passion, Teamwork, Continuous Development and Integrity as our core values, we see the importance of building solid relationships with clients, whilst not being a drain on their valuable resources. With this in mind, we offer a free no-obligation initial review which we use to learn about our clients on an informal basis.

What is PAT Testing?

The process of PAT Testing is made easier if you understand what is trying to be achieved. An item of electrical equipment will normally be subjected to 4 different types of testing during its lifetime:

- ✓ **DESIGN CHECKS** - Usually to check it conforms to the relevant safety standards.
- ✓ **PRODUCTION TESTS** - Appliance tested by manufacturer before it is packaged up and sold.
- ✓ **REPAIR TESTS** - Carried out if appliance is refurbished or repaired at any point.
- ✓ **IN-SERVICE INSPECTION & TESTING** - Also known as Portable Appliance Testing.

Is PAT Testing a legal requirement?

The legal requirement for maintenance is designed to ensure that equipment remains safe and is given the various pieces of legislation, the 3 most important of which are as follows:

- The Health & Safety at Work Act 1974
- The Provision and Use of Work Equipment Regulations 1998
- The Electricity at Work Regulations 1989

You will note that there is no specific legislative requirement to carry out inspection and testing nor there is no reference to any prescribed frequency or test methods.

How often should I PAT Test my equipment?

It is often assumed that annual inspection and testing should take place, but this is not the case as it is not a legal requirement. Furthermore, this may not be the most appropriate in many cases and is acceptable for the duty holder to specify different test frequencies, depending on the type of equipment, the situation it is used in and the skill set of those persons using it.

TAUNTON & PICKERIDGE GOLF CLUB

When the clock struck midnight on New Years Eve, many of us challenged ourselves to re-set our objectives, targets and priorities for the year ahead – a healthier lifestyle; more exercise; finally completing that project you started ages ago. Hands up though if you stopped to put the same amount of thought into how to recognize the phenomenal work your teams carried out, often remotely, during a tumultuous 18 months?

Here at the Golf Club we'd like to help you do just that and bring your team back together safely to wash away the zoom stress and re-live the joy of connecting, learning, experiencing, sharing and celebrating.

We have 3 beautiful light and airy conference rooms, all boasting panoramic views of the golf course and countryside beyond through floor to ceiling windows and patio doors opening onto private outdoor terracing. Each room is air conditioned, fully soundproofed and can comfortably seat 5 to 80 guests in whatever layout best suits your needs.

Conveniently located near Corfe, just a few miles out of Taunton and within easy access of the A303 and M5 J25, delegates also benefit from free on-site parking, full disabled access to all rooms and facilities and free dedicated 4G Wi-Fi powered by Starlink technology.

We also offer a range of conference catering and refreshment packages to suit all budgets or delegates can simply choose to pre-order lunch from our extensive Clubhouse menu of meals, snacks and daily specials.

With a tried and tested safe meetings policy in place and our front of house delivery team trained to uphold new servery, cleaning and sanitisation protocols across all our business activities, all you need worry about is how to make the most of your time here in this tranquil haven.

And for Chamber Members, book directly with us between 3 January and 31 March 2022 to receive 22% off room hire.

Visit our website at www.tauntongolf.co.uk for more information or telephone Rose or Jane on **01823 421537** for a quote or to make your booking.

LOCAL APPRENTICESHIP PROVIDER TAKE GOLD AT THE APPRENTICESHIP AWARDS.

A Somerset based Training Provider has been named Apprenticeship Provider of the Year award at the Regional Apprenticeship Awards. Professional Apprenticeships, which was set up in 2016, took the prestigious title from previous winners Weston College at Thursday night's awards ceremony.

The Awards are a celebration of the best and brightest learners in the region, along with the employers and training providers who support them along the way. This year's awards saw a welcome return of the live ceremony at Ashton Gate Stadium with apprentices and their employers dressed to impress.

Taunton based Co-owner Carina Bush said: For most businesses up and down the country it has been a tough year so to see our fantastic Apprenticeship industry still celebrating and supporting both Businesses and Apprentices was incredible. To then go on and win this award was an honor and as a business we couldn't be prouder.

Professional Apprenticeships provides Apprentices to Businesses in areas such as Digital Marketing, Various Management Qualifications, Business and IT. If your business could benefit from taking an Apprentice, please email carina@professionalapprenticeships.co.uk

TAUNTON ROUND TABLE RAISES THOUSANDS AT SPEAKER EVENT SPONSORED BY MILSTED LANGDON

More than 270 guests gathered at the Taunton Round Table's latest Speaker Event held in aid of Somerset Counselling Centre. The event, sponsored by South West based accountancy firm Milsted Langdon, saw world-cup winning former rugby union player Kyran Bracken MBE share his story of playing for England and appearing on ITV's Dancing on Ice. Bracken captivated the audience and was a genuinely entertaining speaker as he shared stories of his time on and off the pitch.

Taunton Round Table organised a hugely successful auction, including some excellent and unusual lots donated by local businesses and organisations.

In total, the Taunton Round Table event has helped to raise more than £15,000 for Somerset Counselling Centre and other local charities. Based in Tower Street, the centre is an excellent community resource that provides a safe space for people to talk to a skilled counsellor about any issue affecting their lives.

A spokesperson for Taunton Round Table, said: "We are delighted to announce that £15,733 was raised at our charity Speaker Evening event this year. With special thanks to Milsted Langdon as our main sponsor.

"These vital funds will help support both Somerset Counselling Centre and Taunton Round Table Charitable Trust."

Milsted Langdon has a long history of supporting charity events in Taunton and across the South West and is delighted to have helped the Round Table with its latest fundraiser. Rob Chedzoy, Tax Partner at Milsted Langdon, said: *"We are absolutely delighted to continue our long association with the Round Table Speaker Evening, now in our 10th year as main sponsors. Round Table does some excellent work locally, and it was great to work with their enthusiastic and experienced team, raising much-needed funds for an excellent local charity. It was a fantastic evening and we were delighted to see so many of our friends, colleagues and business contacts face to face after 18 months of restrictions."*
