New roles and big 'thank yous'

At our Cream Tea and AGM Event in April, we were delighted to elect three new business volunteers to our Officer roles - **Richard Holt** as President, **Laura Mackain-Bremner** as Vice President and **Megan Trick** as Honorary Treasurer.

Richard Holt - President

"As President of the Chamber of Commerce I have the privilege of meeting and working with some of the most innovative and enterprising people in the business community. Taunton is a great place to do business, to develop ideas and turn them into a reality."

Co-Director of Creative Innovation Centre CIC, Core Business design and Arts Hub manager and Co-Director of Go Create a Community Arts Organisation in Taunton, Richard delivers innovation development and research programmes supporting creative industries and enterprise development in the region.

Laura Mackain-Bremner - Vice President

"I am thrilled to have been elected Vice-President of the Chamber and look forward to meeting more of our members as part of this role. I really enjoy working and living in Taunton and consider it is a unique and brilliant place to do business."

Laura is a Partner in the Litigation Team at Clarke Willmott, she specialises in commercial disputes and also works a great deal with the agricultural sector.

Megan Trick - Honorary Treasurer

"As Treasurer of the Taunton Chamber, I have the opportunity to meet a range of people in the business community. The events put on by the Chamber are a great opportunity to network and share experiences, ideas and discuss topical matters in and around Taunton. The Chamber provides a voice for businesses in the local area and is really looking to help ensure the local business economy can thrive and grow, it's great to be a part of."

Megan studied to be a Chartered Accountant and began her accountancy career with Albert Goodman in Taunton. Now she is the Company Accountant at Summerfield Developments, also based in Taunton.

Richard adds;

*"It would be remiss of us not to say a big thank you here to outgoing Executive Committee Officers **Adam Townley, Past President and Laurence Bassett Past Treasurer, and Executive Committee member and former Officer Jayne O'Brien** - who between them have served as volunteers on our Executive Committee for in excess of 25 years, and who have been a wonderful support to the work of the Taunton Chamber of Commerce.*

*I am very grateful for the continued commitment of and support from Executive Committee members **Colin Barrell, Trish Caller, Lucy Hawkins, Sally Maidment, Liz Payne-Ahmadi, Nigel Pearce, Moira Reynolds and Chris Winter.**"*

*"I would also like to take this opportunity to warmly welcome **two new volunteer members** to our Executive Committee, who are joining us to complete our number for 2023/24: **Adam Frampton**, Senior Consultant at our member business **Lloyd & Whyte Health & Wellbeing**, and **Livvi Grant** co-owner of our members **Daffodil PR and Communications.**"*

TAUNTON SHOWCASED TO EUROPEAN DIPLOMATS

We were delighted that our President Richard Holt and Executive Committee member Colin Barrell were invited to attend this meeting, and represent the voice of business in Taunton.

A group of diplomats from across Europe visited Taunton on 11th May 2023 and were presented with a showcase of local expertise and business leadership as part of a new drive to attract overseas investment to the area.

The delegation came to meet with LibDem Parliamentary Candidate for Taunton and Wellington, Gideon Amos, who arranged the visit. It consisted of Dr Clemens Kohnen (Embassy of Germany), Jerzy Bockowski (Embassy of Poland), Marijn Nordam (Embassy of the Netherlands), Cristina Ruenes Marinas (Embassy of Spain) and Marie-Laure de Bergh (Delegation of the EU).

The group were taken on a visit to the UK Hydrographic Office on the outskirts of the town centre where they heard about the organisation's work from its Chief Executive, before attending a reception at The Castle Hotel attended by leading

figures from local businesses, schools and a range of organisations.

Mr Amos said *"This is a superb opportunity to showcase Taunton and the many fantastic things we have here. We have already begun working with our Somerset and Taunton Town councils on how we can build on this visit, develop relations with the trade missions of the Embassies involved to stimulate new business, projects and investment to benefit our local economy here in Taunton and Wellington."*

Marie-Laure de Bergh, speaking for the diplomats, added: *"We will certainly take away the great location that Taunton has to offer and will be happy to follow up with business contacts, and thank you to Gideon for arranging a really great visit"*.

Taunton Chamber of Commerce Executive Committee member Colin Barrell of Mr Miles Tearooms attends Westminster Business Champions Reception

Colin Barrell: *"I was delighted to be chosen to attend the recent Business Champions reception at Downing Street with Jeremy Hunt. I did get the opportunity, when introduced by Rebecca Pow, to hand over a letter to the Chancellor. Amongst the most important issues I raised was a need for more "Levelling Up" for the South-West region, and in particular, something which is very close to my heart and countless other businesses in the hospitality industry here in the South-West - the message to reinforce UK Hospitality's mission to get the VAT rate reduced to put us on a level playing field with many European Countries.*

It would save jobs, businesses and town centres, whilst still providing the Government with income through corporation tax, business rates, P.A.Y.E and N.I. contributions from the employees' jobs that would be preserved. It would mean that landlords would maintain their income revenue and town centres would still have a reason to exist - not to mention the employment opportunities for many of our younger members of the community who quite often experience their first job in the industry.

I also raised the importance of making sure the new car battery plant gets built here in Somerset, financial

assistance for farmers to enable them to a better job in producing quality produce rather than money to just exist, and making the water companies clean their act up by making it financially a bad decision to let sewage leak into our rivers and onto our beaches. Another subject I touched on was the need for commitment from Government to invest all that is needed to enable energy companies to get on with their projects to work towards Zero-Carbon."

Rebecca Pow MP added: *"I was absolutely delighted that Colin Barrell was chosen to attend a special reception for local business champions at Number 10. Each MP was asked to nominate one business champion from their constituency meaning that a possible 650 entries were put forward. I nominated Colin, a strong voice for businesses in Taunton Deane, and was thrilled that he was one of about 100 people chosen to attend the recent event in Downing Street."*

DESIGN BEAN CELEBRATES 6 YEARS IN BUSINESS

Taunton Chamber member, and Exec committee member Sally Maidment celebrates her sixth year in Business (and living in Taunton) this year...

So June is always a bit special for me, just over 6 years ago I moved here to Taunton, I was still commuting to Poole, getting up to leave at 5am to drive 75 miles to the studio where I had worked tirelessly for 9 years. After years of advice from fellow staff members, clients, family and friends to "go solo" I finally did it!

And now, I am celebrating my 6th year being self-employed, designing awesome things for some wonderful clients, both near and far! Wow!! To quote a long standing client; **"Best decision you've made and I'd not use anyone else!"**

But now I wake up (still at 5am!) and just smile... knowing that I have built a my little business based on my experience, my design skills, my values, my personality and my dedication to my customers. ...I am so thankful to every single one of you!

TAUNTON CHAMBER MEMBERS WORD GETS AROUND LAUNCH THEIR NEW DIGITAL MAGAZINE

Father and Son partnership Clive and Paul Smith are delighted to announce the launch of their new Word Gets Around 'Digital' Magazine as an online extension to their already popular printed magazine, delivered to homes in Taunton and West Somerset.

Editor Clive said "There is no doubt that the world of print and the way we communicate has changed dramatically over the past two decades. This is particularly true of how we consume news. Community magazines however are thriving across the country where quirk and character are valued over immediacy. Our online magazine allows us to engage readers across multiple platforms, in new ways, and provide a more immersive experience".

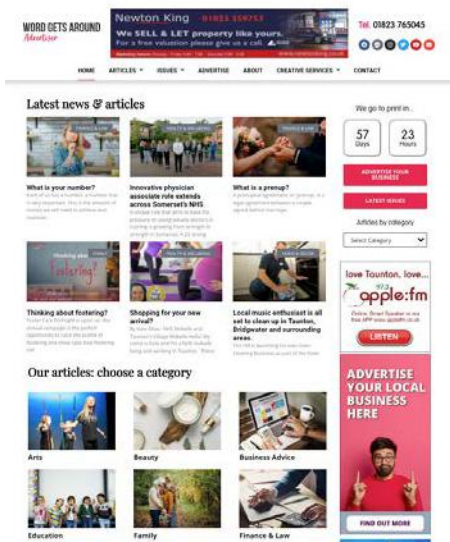

Paul examined the benefits for local businesses "We are looking to form partnerships with local businesses where we can extend upon our printed platform, by utilising digital tools in social media marketing and video. This offers flexible ways for businesses to promote themselves. Our printed magazine already has a great impact, delivered direct to 34,000 homes in Taunton and West Somerset per issue. With our new digital magazine, we can link printed adverts direct to a website or a promotional video, to make it a more creative experience. Digital adverts can also be placed next to relevant sector specific content. We can offer an opportunity for our advertisers to expand on what they want to say beyond a printed format at a very reasonable rate."

Their new website was built in collaboration with fellow Taunton Chamber of Commerce members Somerset Web Services and White Knight Marketing. Paul said "It has been a delight to work with Tim and Pam on our special project. It is always great to work with people who you know, like and trust who you know will deliver with their expertise".

Clive said "We want to be a force for good and do more for our community. We need more support from businesses to make this happen by working with us and in turn help themselves to promote what they do best. We believe we have something special that can grow and are excited for our next chapter".
