# WELCOME TO OUR New Members

**I'm Tara, and I run Fabric Sewn Beautiful – a small, independent business creating thoughtful, personalised lavender gifts that offer more than just a present.**

Each item is handmade by me using repurposed, eco-friendly fabric, and shaped entirely by the person giving it – from the choice of fabric to the personalised embroidery. Every gift is stitched with intention, meaning and care.

I love working within the local community. One of the most meaningful parts of my work is visiting care homes, where residents can choose their own fabrics and personalise a gift for themselves or someone they love.

I also run embroidery workshops in calm, friendly settings. These offer people a chance to slow down, learn a new skill, and create their own lavender-filled gift. I tailor these workshops to suit a range of needs, including sessions designed especially for care homes, where the focus is on memory, comfort and connection.

As my business has grown, I now offer corporate gifting for businesses who want to show appreciation in a meaningful, sustainable way. Gifts can be personalised to suit your team or clients and always come with the same care and quality as my individual orders.

I also run team building embroidery workshops, where colleagues can unwind and create something special together – a calm and creative experience that encourages wellbeing and connection.

You'll also find a selection of my gifts stocked in local shops – a small way to bring comfort and care into the heart of our community.

If you're looking for something meaningful – whether it's a gift, a workshop, or a way to support wellbeing in your workplace – I'd love to hear from you.

## Reminiscence Learning

### LOTTERY GRANT SUCCESS FOR MEMBERS REMINISCENCE LEARNING

Wellington in Somerset is on route to become the first “Dementia Inclusive” town in the South West, thanks to a huge grant from the National Lottery ‘Reaching Communities’ Fund awarded to Taunton Chamber charity member Reminiscence Learning - this means that every single person who buys a lottery ticket is responsible for this incredible opportunity.

Reminiscence Learning has been awarded £279,788 by the National Lottery ‘Reaching Communities’ Fund to drive the ambitious project forward over the next three years.

Chief Executive Fiona Mahoney said: *“This really is the most fantastic news for us and the town – to be honest we’re still in shock at the moment!”*

Alongside a whole host of new town-wide initiatives focused on residents, support workers and businesses, the money will help the charity appoint two new officers and work towards opening a High Street hub in central Wellington, which can be a drop-in point for anyone wanting help in understanding dementia and how to deal with the next steps. *“We want to get to a point where every shop, every workplace, every public space in Wellington is dementia inclusive”* added Fiona.

This project comes on top of the work that Reminiscence Learning has been carrying out in the town and surrounding area since it was set up in 2003.

*“Grateful as we are for this National Lottery money, we still need to fund the services we already provide, and so we still need people to support us in any way they can.*

*At the heart of the charity’s work is a range of specialist services and bespoke training courses designed to educate individuals at all levels of ability. These sessions are delivered to healthcare professionals, carers, volunteers, family carers, businesses, organisations, councils, the NHS, schools and the general public.”*

*“There is much to be done,”* said Fiona. *“And we are excited to get started on it.”*

## ZEST PAYROLL CELEBRATES 17 YEARS

April 6th saw the start of the new tax year but this year, Claire Meredith at Zest Payroll Solutions had something else to celebrate – 17 years of running her Payroll Bureau!

Claire said “I keep being reminded that it’s quite an achievement to have been working for yourself for 17 years and I’m feeling very grateful for that.

Sure, it is REALLY hard work being self-employed, but there are so many positives:

- Freedom to fit my work around my life and not the other way around.
- No day is ever the same!
- Meeting amazing fellow self-employed people.
- My 10 second commute to the Zest Nest (my garden office) is great, not to mention watching the birds, squirrels and seasons come and go.”

Zest Payroll Solutions provides payroll services for businesses, charities and employers of domestic staff (such as nannies, carers and housekeepers) in Somerset and right across the UK.

The image features the Designbean logo at the top, which includes a white circle with the letters 'DB' inside, followed by the word 'designbean' in a lowercase, sans-serif font. Below the logo is the tagline 'graphic design with a personal touch'. The main part of the image is a collage of various graphic design projects, including business cards, brochures, and posters for clients like Karl Broad, The Motor Company, Chard Guildhall, and Blackdown Financial. At the bottom of the collage, the website 'designbean.co.uk' is displayed in a white, sans-serif font on a black background.
