## Taunton Chamber of Commerce Executive Committee welcomes Rob Moore

Following the recent Annual Cream Tea and AGM event, President Richard Holt and the members of the Taunton Chamber of Commerce Executive Committee are delighted to welcome Rob Moore to serve as a volunteer Executive Committee member.

Rob is Centre Manager at Taunton Chamber of Commerce member **Orchard Shopping Centre**, following a high-level retail management career with both Marks & Spencer and Aldi. Rob said of his appointment *"I am very excited to join the Executive Committee of the Taunton Chamber of Commerce. I aim to share my retail knowledge and experience to benefit our business members and the wider community of Taunton"*.

President Richard Holt added *"As an Executive Committee we aim to have representation from as many of our local business sectors as possible, allowing us to understand not only the Taunton business climate, but also have a handle on the issues affecting particular sectors – aligning our action and support accordingly. It is fantastic to have Rob as part of our team, and he is already lending both his knowledge and experience to our efforts to champion the voice of local business in Taunton"*

Welcome Rob Moore

## Taunton Chamber of Commerce President Richard Holt was delighted to join the delegation from Taunton to Lisieux recently\*, as part of the 70th Anniversary celebrations of the twinning relationship, which is the oldest such twinning in the whole of Europe!

Richard was hosted in the home of Director of Business and Management from Normandy University and also had opportunity to spend time with the President of the Lisieux Chamber of Commerce, as well as several cultural outings, the 70th Anniversary formal commemorations and poignant remembrance service for the VE Day 80th anniversary.

Following the visit, which was superbly organised by fellow Taunton Chamber of Commerce Executive Committee member Liz Payne-Ahmadi, we will be working with Taunton businesses and colleges to explore links and exchange programmes for English students to businesses in Normandy, and opportunities for both towns to enjoy the products created by the other. Watch this space for more information as plans develop.

*\*Please note that Richard, alongside the other members of the visit group, self-funded the trip, no public or Chamber of Commerce monies were used.*

**Richard Huish College Prize Giving**

President Richard Holt and Membership & Events Manager Bethan had a wonderful time celebrating student success at the Richard Huish College prize giving, awarding the Taunton Chamber of Commerce A-Level Business Prize that has been our privilege to sponsor for many years. Pictured with Richard and Bethan are Principal Emma Fielding and VP Joe Bennett, who will ensure winner Iona receives her award as she was sadly unable to attend.

**Taunton Chamber of Commerce supports Bishop Fox's School Year 11s.**

James Truby, Careers Lead at Bishop Foxes School "We are, as ever, extremely grateful to the employers who support this Year 11 event. Practice interviews are an opportunity for our young people to get experience of a formal interview, building confidence when talking about themselves and to receive useful tips and guidance on where they can improve. Thank you, Taunton Chamber of Commerce and its members Richard Huish College, Moore & Scarrott, Stantec Engineering, Lloyd & Whyte Group and Bridgwater & Taunton College for your time."

Taunton Chamber of Commerce supports **Bridgwater & Taunton College Apprenticeship and Placement Awards 2025** at the McMillan Theatre, celebrating with our members Bridgwater & Taunton College and University Centre Somerset. President Richard: "I had a wonderful time at the awards event hosted by the amazing Lucy Hawkins (who also is one of our volunteer Executive Committee members), celebrating the achievements of individuals and companies who have completed apprenticeships or those that support them through their businesses and networks.

As usual the event was a glittering success promoting the inspiring stories of the nominees and winners of the awards. It was a real privilege and honour to attend this inspirational evening.

Congratulations to all the nominees and winners. As a special note, the Work Experience Student of the Year award was given by fellow Chamber of Commerce Taunton member, David Harris-Heffer from Initiis Ltd and Supported Employment Employer of the Year by Kit O'Brien of fellow members Walker Family Law."

**Chambers of Commerce partner to connect business students with business leaders at Richard Huish College.** Membership and Events Manager Bethan: "We were delighted to collaborate with our Chamber colleagues at Somerset Chamber of Commerce and our members Richard Huish College for this #NextGenNetworking where lots of business representatives from across our combined memberships met with business and economics students to talk about next steps, career journeys and what companies in the local area look for in the workforce of the future - a very inspiring event for everyone involved"

Pictured here with Bethan; Huish College Vice Principal Becky, Somerset Chamber of Commerce MD David, Taunton Chamber of Commerce President Richard and Vice President Laura are - Tim Church from Somerset Web Services and Giles Adams from Visit Somerset - just a few of our members who took part.

**My name is Andrew “Jumper” Collins, and I’m the founder and director of Ludacrust — an independent, hip-hop-inspired pizza venture based here in Taunton.**

Following a rewarding 22 years in the Royal Navy as an Air Traffic Controller, I turned my focus toward hospitality, where you can find us feeding the people of Somerset at venues such as Somerset Boat Centre, Quantock Brewery and various other street food friendly venues.

Proudly sporting a Taste of The West award for our products - where we look to source from local producers mixed in with hard-to-find international ingredients.

We have very exciting news to share in the coming weeks, which we look forward to announcing publicly - but in the meantime, I'd be delighted to connect further and explore how Ludacrust can support and engage with the Chamber's fantastic work.

SHOUT  
AGENCY

**We're SHOUT Agency - a Taunton-based TikTok-first content and growth agency helping businesses show up, stand out, and scale on one of the fastest-growing platforms in the world.**

Founded by local digital marketer and TikTok creator Jacob Sotiris (with over 150M+ views and 100K+ followers across various accounts), SHOUT was built to take the mystery out of TikTok for businesses – especially those who don't have the time, knowledge or appetite to spend months trialling content in the hope something will work. We work with brands to create engaging short-form video content that actually gets seen – whether that's through training, consultations, or fully managed “done-for-you” content packages.

We're not here to jump on trends for the sake of it – we focus on helping businesses use TikTok as a serious growth tool. Whether you're a local accountant or café, a national e-commerce brand, or somewhere in between, we help you connect with your audience and drive real results.

We recently joined the Taunton Chamber of Commerce to connect with fellow Somerset businesses, share ideas, and help more local brands unlock the power of TikTok.

## PUT YOUR BUSINESS FRONT AND CENTRE AT TAUNTON CARNIVAL

Taunton Carnival Committee are delighted to share the wonderful business promotional opportunities that we have put together so that businesses who align their brand with Taunton Carnival through sponsorship can maximise the opportunities to increase their exposure.

Returning again this year we have an exciting range of value for money sponsorship packages, perfect ways for businesses in the local area to easily get involved in carnival. To ensure that sponsors are able to gain the maximum impact possible, there are only a limited number of opportunities available, and we would love to welcome you on board as one of our sponsors for 2025. Bearing in mind the diversity of the local business community, we have something for businesses of all sizes and sectors.

Taunton Carnival has been entertaining the community for generations, but in modern times was restarted in 1966. Since then, it has been illuminating the streets of Taunton, raising hundreds of thousands of pounds for local charities and organisations and attracting thousands of people to the town for the annual procession, now hosted at 7pm on the 3rd Saturday in October. Taunton Carnival 2024 cost over £10,000 to put on, and this figure does not include the funds needed to build floats, and walking entries. Everyone involved is a volunteer, who come together to put on a remarkable event.

### HOW CAN YOU HELP?

**Sponsorship:** We are thrilled to announce that fellow Taunton Chamber of Commerce member **Taunton Home Tech** has taken up our Gold Sponsorship package, members **Somerset Jobs Ltd** a Silver package and member **360 South West Ltd** a Bronze package - but worry not, we have plenty of opportunities available. We welcome many fantastic entries to Taunton Carnival, across mounted and walking classes, depending on the size and appearance of entry, and the age and number of participants. Funds from your sponsorship will enable us to support clubs and individual entrants to ensure they can keep rebuilding and returning to the Taunton Carnival every year!

**Carnival Programme:** We will again be publishing a Carnival Programme this year. To maximise the audience the editorial and adverts reach, we distribute 500 copies on Carnival night. Some sponsorship options include programme advertising but we also have space to accommodate other adverts.

Use the QR code to find out more where we've set out full details of our sponsorship packages and programme adverts available and their value to you as a business, including purchase costs and what each one delivers your company in return.

**Lend a Hand with your Skills:** Aside from financial support there are opportunities to support us plan and deliver our events through your teams and your skill sets. We're calling this "community service hours" and is a way for businesses to give something back to the community in a tangible but no-cost way. It may involve only a few hours a month or year with you coming to some of our meetings or, for instance, helping with digital marketing from your workplace. We're happy to have a conversation about what you might be able to offer.

We firmly believe that what Taunton Carnival can offer you in coverage and brand alignment, makes supporting us a significant opportunity for you, as well as Taunton Carnival as an organisation, and the wide variety of community-based entrants taking part.

Thank you for considering our sponsorship opportunities, if you would like to get involved or find out more please contact [info@tauntoncarnival.co.uk](mailto:info@tauntoncarnival.co.uk)

## A YEAR OF CENTENARY CELEBRATIONS AT HICKLEYS TO MARK 100 YEARS IN BUSINESS

I feel a tiny bit fraudulent being the one to try and summarise the monumental achievement of reaching 100 years in business, as I myself am only in my 4th year working for Hickleys. Luckily, I have been able to draw on the memory and archive of the company chairman, Duncan Meikle. Duncan is in fact the grandson of Leonard Meikle who was one of the two original founders of Hickleys. The fact that the ownership is still in the original family is also reflected in the family values at the core of the company today, despite the staff numbers and turnover being orders of magnitude larger.

One thing that has struck me from the very beginning of my employment with Hickleys is that this is very much a people first company, exactly as you would expect in a family. When sitting down at the beginning of 2025 with Robin Huish, the company's managing director, it was clear that priority number one for celebrations was to bring all the staff together for a party. On the 5th April, 130 current and former staff, as well as some company friends were treated to a 3-course dinner at the Rumwell Orchard, followed by live music and plenty of refreshments. This was a wonderful way to celebrate the beginning of the centenary year.

Hickleys originated in billet street, right here in Taunton in 1925. The business originated as a battery service centre and very quickly diversified into the automotive industry, servicing local vehicles up to the present day. Hickleys now also supply a vast range of garage and diagnostic equipment all over the UK and beyond, as well as having a mobility and healthcare division since the early 2000's.

**A much more detailed history of the company can be found in the book that we have compiled and is linked via the QR code.**

Various '100' themed events will be happening at Hickleys until the end of the year to raise money for the Beacon Cancer Care unit at Musgrove Park Hospital, including our resident Ultra Marathon completing a 100 mile run and raising over £2500 in the process. Stay tuned to Hickleys social media for more information on further events and promotions. Read more about the Hickleys Centenary on the Chamber website.

# TAUNTON YOUNG CHAMBER

TAUNTON  
CHAMBER  
*of*  
COMMERCE

A platform for young professionals and students to access resources, mentorship and networking opportunities that will help them advance their careers and encourage entrepreneurs and future leaders.

## What do we do?

We organise informal social events at local venues for young professionals to get to know each other in a relaxed environment.

We want to encourage juniors in the Taunton area to take their first steps towards having an active role in their business community and we hope that in the future the Taunton Young Chamber will have the opportunity to influence the plans for Taunton going forward. We are the future partners, managers and business owners of Taunton after all!

Please contact us at our email address below to find out about our upcoming events and to sign up to our mailing list.
